Real Estate by Foreclosure.

It is a matter of extreme satisfaction to note the substantial decrease of over \$90,000 in this asset during the past year. The total investment by the banks in foreclosed real estate is now less than one-half of one per cent. of their total assets.

The aggregate transactions during the past year are herewith presented:—

COLLATERAL LOAN COMPANIES.

There are four companies of this character, operating under special charters, and, as provided therein, they have all been examined by an expert accountant, who certifies to the correctness of their annual reports which appear in this volume.

MORTGAGE LOAN COMPANIES.

Globe Investment Company.

The receivership of this company will probably be kept open a few years longer, in order that the many defects continually arising in the titles to real estate, caused by the illegal practices of its old officers, may be adjusted by competent authorities.

National Mortgage and Debenture Company.

As stated in the reports of this department for the past four years, the existence of this company is continued pending the disposition of certain properties in Florida, which constitute its remaining assets.

Foreign Savings and Loan Associations.

American Building, Loan and Investment Society of Chicago.

Hyder data of October 20, 1000, the receiver of this society write

Under date of October 30, 1909, the receiver of this society writes as follows:—

No further distribution has been made to the stockholders of the American Building, Loan and Investment Society since my last report to your office. It is hoped that the affairs of the society may be closed out this winter, when a very small final dividend will be paid.

Minnesota Saving Fund and Investment Company, Minneapolis.

During the year a final dividend of 1.9 per cent. has been declared, and the affairs of this company practically closed. The total dividend paid to Massachusetts stockholders was 49½ per cent.

MISCELLANEOUS.

American Service Union.

In consideration of a fixed monthly payment, this company issues a time contract, in which it guarantees the payment of dues and assessments of the holder thereof in fraternal orders or societies; and, under the terms of the contract the balance of the monthly payments or the investments thereof, are lodged with one or more trust companies or savings banks doing business in this Commonwealth, as security for the matured value of the contract.

On December 27, 1909, the company had on deposit with the Puritan Trust Company of Boston \$5,080.77, and with the Liberty Trust Company of Boston \$24,166.67.

ARTHUR B. CHAPIN,

Bank Commissioner.

The borrower shall before the sale give written notice to the secretary of his intention to re-buy his money. All settlements made between stated meetings of the directors shall be made as of the date of the stated meeting next succeeding such settlement. Said member, if not a borrower, shall be entitled upon giving thirty days' notice to receive, out of the funds appropriated to the payment of withdrawals, the balance so transferred without interest from the time of the transfer, in the order in which such notices are given. All shares so forfeited or transferred shall cease to participate in any profits of the corporation accruing after the adjustment and valuation of shares last preceding said forfeiture.
